

Romantic Malaysia (Kuala Lumpur & Langkawi) - 4 Nights / 5 Days

MALAYSIA A melting pot of many races, Malaysia is where you can experience every flavour that Asia has to offer. With towering skyscrapers, a blend of cultures and some of the best beaches in the world, Malaysia is ideal for a honeymoon or a romantic getaway. Langkawi's ninety-nine islands are home to several local legends, beautiful beaches and natural marvels. Pangkor Island and Kota Kinabalu are two increasingly popular destinations for the pleasure seeker. Allow us to help you discover the hidden delights of this country.

KUALA LUMPUR

Kuala Lumpur, the capital city of Malaysia, is considered to be Asia's counterpart of the Silicon Valley. From an obscure little town, the city today has grown to a bustling city of almost two million people. The growth and development of this city has produced an interesting mix of architecture; elegant palatial buildings of a bygone colonial era contrast with modern mega structures like the Petronas Twin Towers. All these, coupled with the numerous street level markets and the traditional culture in the lanes of China Town makes Kuala Lumpur an unforgettable experience for the visitor.

LANGKAWI

The Island of Mystical Legends

The Langkawi archipelago, a cluster of 99 islands just off the coast of Kedah, is the ultimate holiday paradise that offers sun-drenched beaches and ancient rainforests teeming with exotic plant and animal life. Langkawi is easily accessible by air with flights from Kuala Lumpur, Penang, Singapore and Bangkok. Ferries connect the island to the northern mainland as well as to Penang. For beautiful scenery, great adventures and five-star conveniences, Langkawi is the place to getaway. Langkawi Attractions - Datai Bay, Langkawi Cable Car, Langkawi Mangroves
